SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION:

OMB Approval Number: 3060-0430.

Title: 47 CFR 1.1206, Permit-but-disclose proceedings.

Form No.: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Businesses or other for-profit, individuals or households, not-for-profit institutions, Federal Government, State, Local, or Tribal Government.

Number of Respondents: 10,000 responses.

Estimated Time Per Response: 1/2 hour.

Estimated Cost per Respondent: \$25/response.

Total Annual Burden: 5,000 hours.

Frequency of Response: On occasion reporting requirement.

Needs and Uses: The Commission's rules require that a public record be made of ex parte presentations (*i.e.*, written presentations not served on all parties to the proceeding or oral presentations as to which all parties have not been given notice and an opportunity to be present) to decision-making personnel in "permit-but-disclose" proceedings, such as notice-and-comment rule makings and declaratory ruling proceedings. Persons making such presentations must file two copies of written presentations and two copies of a memorandum reflecting new data or arguments in oral presentations no later than the next business day after the presentation. Effective June 30, 1998, if ex parte presentations are filed electronically, only one copy need be filed. Parties to permit-but-disclose proceedings, including interested members of the public, use information regarding ex parte presentations to respond to the arguments made and data presented in the presentations. The responses may then be used by the Commission in its decision-making. The availability of the ex parte materials helps ensure that the interested persons have fair notice of presentations made to the Commission and the development of a complete record.

Federal Communications Commission.

Magalie Roman Salas,

Secretary.
